Allocation of Payments	If you do not pay off your balance in full, we will allocate payments to balances with the highest interest rate before balances with lower interest rates. There are some exceptions to this including the way we allocate payments to any instalment or PayDown plan. For further details, please refer to the 'How do we apply payments to the different balances?' section in your Credit Agreement.																		
Minimum repayment	<ul style="list-style-type: none"> • The sum of interest, default fees and 1% of the full amount you owe (including the interest and default fees) as shown on your monthly statement, unless you owe less than £5, then the full amount you owe. • If you only make this contractual minimum payment it will take longer and cost more to clear your balance and we may recommend you make extra payments or move all or part of your plan to a PayDown plan and/ or increase your contractual minimum payment.
